Skills for Learning

Homework	A	Organisation	Classwork	Independence	Extend Learning
Often produces homework that extends the original task	A student with an A grade:	Often plans ahead to be prepared for learning and sets personal targets	Completes classwork to the best of their ability and is a role model for other students in the group	Uses initiative to advance their learning and shows determination when attempting difficult work	Curiosity drives them to look for opportunities outside the classroom to extend learning and consolidate existing knowledge

Homework	B	Organisation	Classwork	Independence	Extend Learning
Completes homework to a good standard and meets deadlines	A student with a B grade:	Starts tasks confidently and sets out work in a clear and orderly way	Actively contributes to learning and always produces high quality classwork	Works well without the need for teacher guidance	Responds positively when given opportunities to extend learning

Homework	C	Organisation	Classwork	Independence
Usually completes homework within the deadline	A student with a C grade:	Arrives at lessons on time, with correct uniform and equipment, ready to learn	Regularly produces classwork that is completed fully within the given time	Attempts to improve learning with teacher guidance

Homework	D	Organisation	Classwork
At times fails to complete homework on time or to an acceptable standard	A student with a D grade:	Frequently forgets equipment, arrives late to lessons or produces work that lacks structure	At times produces classwork that is incomplete

Behaviour for Learning

1	Behaviour
A student with a grade 1:	Consistently behaves in an exemplary, mature and responsible manner

2	Behaviour
A student with a grade 2:	Is generally focused and behaves in a mature and responsible way

3	Behaviour
A student with a grade 3:	At times lacks focus, acts in an immature manner and may disrupt the learning of others

4	Behaviour
A student with a grade 4:	Frequently lacks focus, acts in an immature manner and disrupts the learning of others
