1. Aims

“The mission of SJB is to be a Catholic School where every individual is highly valued and where care and concern for others is central to our work. All our students are expected to achieve their full potential and leave us ready to make a positive contribution to society.”

To be a Christian means to live our life in Christ and live by Gospel values. To be a Christian means to love and serve others and to show understanding, compassion, and kindness towards others. It also means acting for the greater good.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every student has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to ensure students have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE’s statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE’s guidance on the school census, which explains the persistent absence threshold.

4. Recording attendance

4.1 Attendance register

SJB will keep an attendance register and place all students onto this register.

SJB will take the statutory attendance register at the start of the first session of each school day (tutor time) and during the second session (Period 6). It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances. See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not.
- The nature of the activity if a student is attending an approved educational activity.
- The nature of circumstances where a student is unable to attend due to exceptional circumstances.

SJB will keep every entry on the attendance register until the student reaches the age of 25.

Students must arrive in school and be in their tutor rooms by 8.50am on each school day.

The register for the first session will be taken at 8.50am. The register for the second statutory session will be taken at 1.45pm.

Lesson Start Times:

Period 1: 9.15am

Period 2: 10.05am

Period 3: 11.15am

Period 4: 12.05pm

Period 5: 12.55pm (Main school lunch) some 6th form lessons in place.

Period 6: 1.45pm (Monday 1.35pm)

Period 7: 2.35pm (Monday 2.15pm)

4.2 Unplanned absence

The student's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.00am or as soon as practically possible by contacting the school office.

This can be done through Arbor.

We will mark absence due to illness as per appendix 1 unless the school has a genuine concern about the authenticity of the illness t

If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the student's parent/carer notifies the school in advance of the appointment.

For medical or dental appointments please contact the school office with details of the appointment, where possible always please return the student to school after the appointment has passed.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A student in Year 7-11 who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.
- Students who arrive late to school will receive a same day break time detention with a member of the SLT as per the behaviour policy.
- Students who arrive late to a lesson will receive a negative comment, which will be recorded on Arbor for parents to view as per the behaviour policy.
- Lesson truancy: Students who truant lessons will receive a Head of Year detention, in this case parents will be contacted by their HOY.

A student in 6th for who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.
- Being on time to form is compulsory – any student who is late twice in a week will get 30 mins after school on a Thursday in line with the behaviour points below (if a student arrives so late that it is deemed they have missed most of the form time, this can be counted as missed form time and the 6th form manager should be notified by the tutor to assign the detention) – names to be provided by the office from the lates book each day by SLT.

4.5 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school will record this as an unauthorised absence, the HOY/Pastoral Support Manager/DSL will be notified, and they will take appropriate actions.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained

- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- 20+ consecutive days of unauthorised absence may result in a student being removed from roll at SJB

4.6 Reporting to parents/carers

SJB will regularly inform parents about their child's attendance in each round of monitoring which is sent throughout the academic year. Year to date attendance is also available through the parent portal on Arbor. Where attendance becomes a concern, reporting of your child's attendance will be done so more frequently by the HOY/Pastoral Support Manager.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the student is authorised to be absent for.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence. The headteacher may require evidence to support any request for leave of absence. Requests for holidays during term time will not be sanctioned/authorised. Please complete the Application for leave of absence/exceptional circumstances form which can be found in Appendix 2.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority. If this is the second penalty notice issued within a rolling 3 year period there will be no option for the lower rate of £80 if paid within 21 days.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year, a FPN may be issued after 10 sessions of unauthorised absences within a rolling 10 week period.

- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason
- If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Monitoring attendance and strategies for promoting attendance

To promote outstanding attendance across the school, students will be divided into 5 categories dependent upon their attendance. The pastoral team will always analyse attendance and implement support within the context of the individual student and attendance will be monitored on a student-by-student basis. Student attendance will be regularly reviewed and movement between each of the 5 categories will take place on a half termly basis or more frequently where there are significant attendance concerns.

SJB reserve the right to take appropriate action outside of the below framework at any time, where flexibility to overcome or meet the student's individual needs are required.

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

- Once warning letter 2 has been sent all future absences will be unauthorised unless medical evidence is provided to the HOY/PSM/school office.

Appendix 2

Application for leave of absence/exceptional circumstances

penalty

As parents, you have a legal responsibility to ensure your child's attendance at school. Holidays should be taken during the school holiday periods. During the academic year, pupils are at school for 190 days and at home for 175 days. In order for our children to fully utilise their years in education, we believe it is vital that every message they receive reinforces the importance of school. Any leave of absence, including holidays, in term time interrupts continuity of teaching and learning, disrupt the educational progress of individual children and create disruption to classes.

Please fill in this form if you want to ask the Headteacher of your child's school to authorise a leave of absence during term time. You must ask well in advance. **Please be aware that The Education (Pupil Registration) (England) (Amendment) Regulations 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.**

If you take your child out of school without the approval of the school, you will be liable to receive a Penalty Notice for failing to ensure your child's regular school attendance. Each parent will be liable to receive a Penalty Notice for each child who is absent.

The Penalty Notice is for £80 per child, per parent/carer, if paid within 21 days or £160 if paid after 21 days but before 28 days. Failure to pay the Penalty Notice may result in you being served with a summons to appear at the Magistrates Court.

If the unauthorised absence exceeds 20 days, your child's name may be removed from the school roll and you will have to reapply for a place upon your return.

The Headteacher will consider the reasons for the request carefully and will notify you of the decision within five school
