Coaching for Teachers Course

A 4 week course for teachers at all stages of their careers. The course will enable teachers to rapidly build coaching skills that can be used for providing support and development of others within a school and also for personal development.

Sessions will be held Face to Face at SJB, Woking
4.00-5.30pm
27 September, 4, 11, and 18 October 2021

The course will enable colleagues to leverage their skills to increase motivation and improve outcomes for their coaches.

Session content includes:

- Knowing & understanding the difference between coaching and mentoring
- Understanding how to apply the GROW model to coaching
- Knowing how to listen actively
- Effective language skills
- Practical strategies for coaching
