

Year 10 Homework

In Year 10, the students are expected to complete the following homework each night:

- Up to 90 minutes of 'subject' homework (30 minutes per subject, except for Maths which is 15 minutes)

All homework will be scheduled on Edulink and should be visible for students and parents, noting a clear deadline. The students can mark it as complete so that they can easily keep track of it. Here are two videos to help you get started:

[How to access your child's homework on Edulink](#)

[A student guide to finding the homework that has been set](#)

If there is a genuine and exceptional) reason why a student has not completed their homework, they should email their teacher and let them know.
