

# Year 11 Homework

In Year 11, the students are expected to complete the following homework each night:

- Up to 90 minutes of 'subject' homework (30 minutes per subject, except for Maths which is 15 minutes)
- Further revision in the lead up to the December mock exams and the May/June exams

All homework will be scheduled on Edulink and should be visible for students and parents, noting a clear deadline. The students can mark it as complete so that they can easily keep track of it. Here are two videos to help you get started:

[A student guide to finding the homework that has been set](#)

If there is a genuine and exceptional) reason why a student has not completed their homework, they should email their teacher and let them know.
