

Year 7 Homework

In Year 7, the students are expected to complete the following homework each night:

- 30 minutes of 'subject' homework (in yellow on the table below)
- 20 minutes of Maths, Reading or MFL Vocab (in blue on the table below)

Occasionally subjects may substitute several week's worth of homework for an extended project.

All homework will be scheduled on Edulink and should be visible for students and parents, noting a clear deadline. The students can mark it as complete so that they can easily keep track of it. Here are two videos to help you get started:

[How to access your child's homework on Edulink](#)

[A student guide to finding the homework that has been set](#)

If there is a genuine and exceptional) reason why a student has not completed their homework, they should email their teacher and let them know.
