

Year 9 Homework

In Year 9, the students are expected to complete the following homework each night:

- 60 minutes of 'subject' homework (made up of two subjects)

Occasionally subjects may substitute several weeks' worth of homework for an extended project.

All homework will be scheduled on Edulink and should be visible for students and parents, noting a clear deadline. The students can mark it as complete so that they can easily keep track of it. Here are two videos to help you get started:

[A student guide to finding the homework that has been set](#)

If there is a genuine and exceptional) reason why a student has not completed their homework, they should email their teacher and let them know.

*Week A and Week B can be found on the [school calendar](#). AMon denotes Monday Week A etc.
