

Year 11 Homework 2022-23

The timetable below helps students to plan their time each week by giving them set subjects to complete each evening. Homework may be set on or prior to day listed below. The deadline will be made clear in the assignment and will always be at least the day after the slot in the fortnight when they are scheduled to complete the work.

In Year 11, the students are expected to complete up to 90 minutes of 'subject' homework (30 minutes per subject, except for Maths which is 15 minutes). Further revision in the lead up to the December mock exams and the May/June exams will be required.

All homework will be set on Arbor and should be visible for students and parents, noting a clear deadline.

If there is a genuine and exceptional reason why a student has not completed their homework, they should email their teacher and let them know in advance of the deadline.
